

E-NEWS LETTER *IPREMS, BERHAMPUR*

2022-2023

I.P.R.E.M.S

**Institute For Policy Research in Economics,
Management and Social Development**

A Path Towards Sustainable Development

E-NEWS LETTER, IPREMS, BERHAMPUR

It was a reminder that the impact of COVID-19 has not only disrupted academic but has also significantly affected families' health and socio-economic circumstances the effects of which will be felt hardest by those who were already experiencing disadvantage. Institute for Policy Research in Economics, Management and Socio Development (IPREMS), Berhampur, is an online-based research institution in the field of different Social Sciences. This institute aims at Multidisciplinary Research on issues relevant to India's economic growth and social development. Research on various Economic issues, Social issues and very current situations of the economy are explored by the institute through different Academic Activities like seminars, conferences, workshops, and Web-panel discussions, national webinars. It aims at fairness in education access and attainment, the need for intellectual quality so as to enhance the significance of online learning its connection to the world beyond the classroom. We are happy to connect with you all respected academicians, research scholars, students at different Institute and the wider world slowly but surely return to normalcy. This institution is an online Research-based Institute having some objectives.

- *Nurturing research talents*
- *Building professional, academic and research relationship*
- *Get galaxy of intellectuals from reputed institution (Academician, Researchers, young faculties, and other relevant area) interactive platform which will improve the performance as well as efficiency.*
- *Along with the above mentioned we are planning to organize Conference, Work shop, student development programme, Faculty Development programme many more. Last but not the least it aims at social development of the society as a large whatever possible.*

The E-Newsletter of the institute showcases the activities and myriad events that is part of day to day life. This contains different academic activities of carried out over the past one year.
